Figure 1

## INSTALLATION INSTRUCTIONS:

1. Place u-bolts (A) on machine frame as shown in Figure 2.
2. Install mount plate loosely to frame using the u-bolts and 5/16" flanged lock nuts as shown in Figures 3 & 4.
3. Adjust so plate is centered on machine.
4. Tighten down all nuts. (Make sure u-bolt ends are even.)
5. See ATV Plow Tube System instruction manual for tube attachment.
